

Genetics and Evolution of the Skeleton Research Initiative

Inaugural Symposium, 26 March 2009

University of California Berkeley
Valley Life Sciences Building, room 2040

Program Schedule

- 8.30 – 8.45 Welcome and introduction
- 8.45 – 9.15 **Craig Miller**
UC Berkeley, Molecular and Cell Biology
- 9.15 – 9.45 **Ophir Klein**
UC San Francisco, Biomedical Sciences Faculty, Developmental & Stem Cell Biology
- 9.45 – 10.15 **Jackie Moustakas**
UC Berkeley, Integrative Biology and UCMP
- 10.15 – 10.45 *coffee break*
- 10.45 – 11.15 **Leslea Hlusko**
UC Berkeley, Integrative Biology, UCMP and the Human Evolution Research Center
- 11.15 – 11.45 **Cyril Charles**
UC San Francisco, Developmental & Stem Cell Biology
- 11.45 – 12.15 **Richard Schneider**
UC San Francisco, Biomedical Sciences Faculty, Developmental & Stem Cell Biology
- 12.15 – 1.15 *lunch break (lunch for participants in VLSB room 2063)*
- 1.15 – 1.45 **Nadav Ahituv**
UC San Francisco, Biopharmaceutical Sciences, Institute for Human Genetics
- 1.45 – 2.15 **Ralph Marcucio**
UC San Francisco, Institute for Regeneration Medicine
- 2.15 – 2.45 **Nathan Young**
UC San Francisco, Institute for Regeneration Medicine
- 2.45 – 3.15 *coffee break*
- 3.15 – 3.45 **Gabriela Loots**
Lawrence Livermore National Laboratory, Biotechnology Division
- 3.45 – 4.15 **Mike Sohaskey**
UC Berkeley, Molecular and Cell Biology
- 4.15 – 5.15 Keynote Address: **Bill Clemens**
UC Berkeley, Integrative Biology and UCMP

Light refreshments courtesy of BIONADE will be served immediately following Professor Clemens' talk.

6.30 – 8.30pm Dinner for speakers & guests, Faculty Club (within walking distance of Valley Life Sciences Bldg)
